Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The General Assembly,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Having also considered the report of the Secretary-General on the item,[4]

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item,[5]

Recalling its resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960 and the resolutions of the Special Committee, as well as other relevant resolutions and decisions, including in particular Economic and Social Council resolution 2000/30 of 28 July 2000,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the Pacific Islands Forum and the Caribbean Community,

[5] A/56/23 (Part III), chap. VII.

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in resolution 1514 (XV),

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Also welcoming the current participation in the capacity of observers of those Non-Self-Governing Territories which are associate members of regional commissions in the world conferences in the economic and social sphere, subject to the rules of procedure of the General Assembly and in accordance with relevant United Nations resolutions and decisions, including resolutions and decisions of the Assembly and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples on specific Territories, and in the special session of the General Assembly on the review and appraisal of the implementation of the Programme of Action of the International Conference on Population and Development, held at Headquarters from 30 June to 2 July 1999,

Noting that only some specialized agencies and other organizations of the United Nations system have been involved in providing assistance for Non-Self-Governing Territories,

Stressing that, because the development options of the small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the Pacific Islands Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in

the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea-level rise, and recalling the relevant resolutions of the General Assembly,

Recalling its resolution 55/139 of 8 December 2000 on the implementation of the Declaration by the specialized agencies and the international institutions associated with the United Nations,

1. *Takes note* of the report of the Secretary-General;[4]

2. *Recommends* that all States intensify their efforts in the specialized agencies and other organizations of the United Nations system to ensure the full and effective implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and other relevant resolutions of the United Nations;

3. *Reaffirms* that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute to the implementation of the Declaration and all other relevant General Assembly resolutions;

4. *Reaffirms also* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspirations of the peoples of the Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples;

5. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

6. *Requests* the specialized agencies and other organizations of the United Nations system and international and regional organizations to examine and review conditions in each Territory so as to take appropriate measures to accelerate progress in the economic and social sectors of the Territories;

7. *Urges* those specialized agencies and organizations of the United Nations system that have not yet provided assistance for Non-Self-Governing Territories to do so as soon as possible;

8. *Requests* the specialized agencies and other organizations and institutions of the United Nations system and regional organizations to strengthen existing measures of support and formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

9. *Requests* the specialized agencies and other organizations of the United Nations system concerned to provide information on:

(a) Environmental problems facing the Non-Self-Governing Territories;

(b) The impact of natural disasters, such as hurricanes and volcanic eruptions, and other environmental problems, such as beach and coastal erosion and droughts, on those Territories;

(c) Ways and means to assist the Territories to fight drug trafficking, money-laundering and other illegal and criminal activities;

(d) The illegal exploitation of the marine resources of the Territories and the need to utilize those resources for the benefit of the peoples of the Territories;

10. *Recommends* that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

11. *Also recommends* that the specialized agencies and other organizations of the United Nations system continue to review at the regular meetings of their governing bodies the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

13. *Encourages* Non-Self-Governing Territories to take steps to establish and/or strengthen disaster preparedness and management institutions and policies;

14. *Requests* the administering Powers concerned to facilitate, when appropriate, the participation of appointed and elected representatives of Non-Self-Governing Territories in the relevant meetings and conferences of the specialized agencies and other organizations of the United Nations system, in accordance with relevant United Nations resolutions and decisions, including resolutions and decisions of the General Assembly and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples on specific Territories, so that the Territories may benefit from the related activities of those agencies and organizations;

15. *Recommends* that all Governments intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to accord priority to the question of providing assistance for the peoples of the Non-Self-Governing Territories;

16. *Requests* the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

17. *Commends* the Economic and Social Council for its debate and resolution on this question, and requests it to continue to consider, in consultation with the Special Committee, appropriate measures for coordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

18. *Requests* the specialized agencies to report periodically to the Secretary-General on the implementation of the present resolution;

19. *Requests* the Secretary-General to transmit the present resolution to the governing bodies of the appropriate specialized agencies and international institutions associated with the United Nations so that those bodies may take the necessary measures to implement the resolution, and also requests the Secretary-General to report to the General Assembly at its fifty-seventh session on the implementation of the present resolution;
